

# Dumpster Use Rules

- **Authorized Waste Only:** Please dispose of household trash and recyclables only. ALL GARBAGE BAGS MUST BE PLACED INSIDE THE DUMPSTER. The WastePro driver will not pick up any garbage left in the garbage enclosure.
- **No hazardous materials:** electronics, large furniture items, bedding or appliances etc. should be placed in the dumpster or the dumpster enclosure. **[These items must be dropped off at the Transfer Station which is located on hwy 419 before you get to 17/92. There is a traffic light at the entrance. So, you won't miss it.]**
- **ALL boxes must be broken down:** FLAT to ensure that empty boxes do not take up room for the garbage bags.
- **Please FILL THE DUMPSTER FROM BACK TO FRONT:** to avoid having the dumpster appear full – when the back of the dumpster is almost empty.
- **Secure Bags:** Tie all trash bags securely to prevent spills, odors and all kinds of rodents and critters.
- **There are 6 dumpsters in our community!** If your dumpster is full, **DO NOT LEAVE IT IN THE DUMPSTER ENCLOSURE**. **The driver will not pick it up.** Please take your garbage to another dumpster.
- **Dumpster locations:** **2 across from building 2, 1 between building 6-9, 1 at the end of building 15. 1 across from building 10 and 1 across from building 11, neither of these dumpsters are ever full. USE THEM.**
- **Report Issues:** If you notice any problems or overflowing dumpsters, please contact management immediately.
- **Keep Area Clean: Do not leave items outside the dumpster.**  
**Help keep our community tidy!**
- **Anyone caught dumping unauthorized materials into the dumpster or leaving garbage in the dumpster enclosure is subject to a fee up to \$500. All dumpsters are under 24-hr surveillance.**
